Where We Stand

Employees

60% workforce
work from home

Supply chain

\$100M+ to small suppliers
inclusive of at least **\$12M** to 138
distressed suppliers.

PPE manufacturing

200,000+ disinfectant wipes
800+ Waxie cleaning kits
200+ hand sanitizer bottles per day
4690+ 3-D printed face shields
1000+ 3-D printed no touch devices

PPE donations

RMD Tucson donated
500 N95s masks
to Banner UMC in March

RMD Tucson donated
400 Tyvek suits
to NYPD in March

Overview and Key Changes Implemented

Onsite Operations: Layered defense strategy against COVID 19

Supply Chain Operations: Early and increased engagement with suppliers

Lessons Learned: Enterprise preparedness planning is key

Upcoming Challenges: Logistics of returning to work

Opportunities: Catalyst for doing business different and more efficiently
